Subject: EPA CFAC Project Director

Andy,

Someone else I am going to put you in contact with is Mike Cirian. He is the EPA's Project Director for the CFAC site. He is cc'ed on this email.

He would be good to talk with to get a better sense of the potential impact that the EPA superfund designation could have on your plans. His number is 293-6194. He's based in Libby.

Ron Catlett | Northwest Regional Field Representative

U.S. Senator Steve Daines
